Announcement and Call for Papers

The Fifth Mediterranean Conference on Mathematics Education with International participation follows a successful series of four such conferences since 1997. At this stage educators and researchers who may be interested in attending the conference with or without a paper should send a message with full address, fax and e-mail to the organising committee. All expressions of interest should be sent before 15th of January 2007. The deadline for full papers is 31st January 2007. Further announcements and details will be sent to those responding to this call. More names of invited speakers may appear in the next announcement.

All papers will be reviewed by at least two referees.

The conference will consist of several sessions covering multiple themes but all under the general aim of Mathematics Education. The official language of the conference is English.

The themes of interest are:

Mathematics in the Modern World
Mathematics and Didactics
Mathematics and Society
Mathematics and Talent

Mathematics and Sciences
Mathematics and Technology
Mathematics and Motivation
Mathematics and Statistics
History of Mathematics

Preparation of Papers

*All papers must be at most TEN PAGES long including the references, the tables and the figures. An appendix of up to three pages may be added for questionnaires. Each page must be a single column A4 page. Margins on right-left must be 4 cm each and on top-bottom 5 cm each (the full text should have dimensions very close to **13x19 cm** vertical with full justification). The language to be used is English.*

The typeset must be TIMES NEW ROMAN. The title must be centred between the margins using TIMES 14-point type, CAPITALS, BOLD SINGLE SPACE. Leave one blank line and then type the author(s) name(s) using TIMES 12 pt, BOLD. Underline the name of the presenting author. Directly below type the affiliation, address and email for each author using TIMES 10 pt. Use asterisks (*, **, ***) to correspond the name to his/her address. *Leave four blank lines after the affiliation and address and type the word ABSTRACT using TIMES 12 pt, CAPITALS, BOLD, CENTRED. Leave one blank line and type the abstract using TIMES 11 pt, ITALICS, SINGLE SPACING (maximum ten lines). (An abstract in your own language may be included at the end of your paper).*

Leave four blank lines after the abstract and begin to type the main text of your paper using TIMES 11 pt, SINGLE SPACING. For sub-titles of sections or paragraphs within your paper use TIMES 12 pt, CAPITALS, BOLD. The sub-titles and the text are separated by blank line. For equations use same typeset as in the text. All equations must be numbered. The figures and tables are reduced to fit within the margins. Symbols and legends are large enough to be readable. Figures and tables are numbered in the order in which they appear in the text. Put table caption at the top and figure caption at the bottom. The list of references must be placed at the end of the text. Please use the following format: Author name(s), Title of paper or book, Volume and pages or Publishing company, (year). Please send a copy of your paper on a CD in MS WORD for Windows(PC version) and a second copy on the same

CD without a name, affiliation and address, no colours please. Send also one original print copy on a LASER printer. DO NOT number the pages and DO NOT staple.
