

Analysis days in Piedmont

The workshop «Analysis Days in Piedmont/Giornate di Analisi in Piemonte» will take place in Salmour (<http://www.agriturismosarmore.com/>), Italy, from 07.05.2018 to 11.05.2018. This workshop is organized by the Chebyshev Laboratory in collaboration with the Department of Mathematics of the University of Bologna.

The meeting is planned to cover the topics in Potential Theory and Approximation, Operator Theory, Hilbert Spaces of Holomorphic Functions, Complex Analysis of Several Variables, and others.

Organizing committee:

Anton Baranov, Saint-Petersburg State University

Nicola Arcozzi, University of Bologna

Pavel Mozolyako, University of Bologna

The tentative list of participants:

Evgeny Abakoumov, University Paris-Est

Nicola Arcozzi, University of Bologna

Anton Baranov, Saint-Petersburg State University
Yurii Belov, Saint-Petersburg State University

Natalia Blank, University of Stavanger

Nikolaos Chalmoukis, University of Bologna

Konstantin Dyakonov, ICREA, Barcelona

Konstantin Fedorovskiy, Bauman Moscow State Technical University

Alessandro Monguzzi, University of Milano

Pavel Mozolyako, University of Bologna

Roman Romanov, Saint-Petersburg State University

Alexander Ulanovskii, University of Stavanger

Program and Abstracts:

TBA
